stay competitive move forward
If you do something long enough, you learn what it takes to get it done right. It’s safe to say that ISM’s Annual International Conference, now in its 97th year, has a lot of experience. We have more than 2,000 of the best in supply management in attendance. There are individuals from more than 30 different nations representing industries ranging from entertainment to energy, city government to national defense, retail to aerospace, and every place in between. We’ve worked hard for almost a century to establish our reputation and today we are known as the premier provider of educational value and positive return for our attendees, sponsors and exhibitors. That doesn’t happen overnight.

Because our attendees are a diverse group of decision-makers, they understand the value of face-to-face interaction with suppliers. In fact, nearly 100 percent visit the Exhibit Hall at least once, getting the most effective use of their time and money. Our attendees are constantly looking to ISM to show them opportunity, and we consistently bring opportunity to them. That isn’t the kind of trust you get in a day.

Should you exhibit at the Conference in 2012? To us, the question is: Why wouldn’t you? We will be in the historic and vibrant inner harbor of Baltimore with some folks we think you should meet. Take us up on this opportunity while there’s still time. Connect with our receptive, world-class attendees in Baltimore and get ahead.

1. **Date, Place and Hours:** The exhibition hours will be as indicated in the Exhibit Hall schedule. ISM reserves the right to make changes in the exhibition hours; however, such changes will be made known to exhibitors as far in advance as possible.

2. **Installation of Exhibit:** Hours of installation are as listed in the Exhibit Hall schedule. Space unclaimed by the opening hour is subject to reassignment without refund of any of the rental paid. ISM reserves the right to make changes in the installation hours; however, such changes will be made known to exhibitors as far in advance as possible.

3. **Exhibit Purpose:** The exhibitor recognizes that the purpose of the exhibit is exclusively for the education of persons attending the Conference and agrees to neither solicit nor accept orders and not to conduct any selling activity at the exhibition other than is incidental to the furnishing of such education.

4. **Permissible Events:** Every effort will be made to provide a well-rounded event for ISM Conference participants. All exhibitor activities must be reviewed and approved by ISM in advance of exhibited event. Undesignated methods of attracting attention will not be permitted. ISM reserves, in its sole discretion, for any reason or lack of any reason the right to accept or reject any organization or product for inclusion in the exhibited event. ISM is not required to provide any rationale for the acceptance or rejection of any exhibit.

5. **General Restrictions:** ISM reserves the right to restrict any exhibit because of noise, method of operation or any reason that is judged dangerous or objectionable, and also to prohibit, or to evict, that which is considered to detract from the general character of the exhibited event. This general reservation includes persons, things, conduct, printed matter or anything deemed objectionable by ISM. In the event of such restriction or eviction, ISM is not liable for any refund of rental or other exhibitor expenses. Exhibitors may make prizes available for general drawing that do not exceed US$500 in value. Winners must be selected and notified during the Conference. Advertising novelties are not to exceed US$25 in value.

6. **Restrictions in Use of Space:** All demonstrations, interviews or other activities, such as the distribution of circulars and advertising matter of any description, must be confined to the exhibitor’s own booth. The exhibitor agrees not to assign, sublet or share the whole or any part of his/her assigned space without the prior knowledge and written consent of ISM. No exhibitor is permitted to show goods other than those manufactured or dealt with in the regular course of business. No firm or organization not assigned exhibit space will be permitted to solicit business in any manner in conjunction with the ISM Conference.

7. **Sound Systems:** The use of sound systems is permissible provided that they are not audible in neighboring booths, nor more than 3 feet into the aisle and that the sound is directed only into the exhibitor’s booth vertically. ISM shall have and exercise absolute control over this regulation, the intent of which is that sound systems shall not be audibly objectionable to neighboring exhibitors. The exhibitor is responsible for any licensing fees.

8. **Booth Rental:** Booth rental includes standard back wall drape, 8 feet high with side rails 36 inches high; a standard booth sign showing the exhibitor’s firm name; general overhead illumination; air conditioning; and overall security for the Exhibit Hall.

9. **Display Heights:** Side wall construction, if used, may taper diagonally from back wall for one-half of the depth of the booth. This limitation is intended to provide a clear view of neighboring exhibits. Raw wood, cardboard or similar materials for wings to booths must be covered or painted if they are visible in adjacent booths. Placement of taller equipment must conform to these rules. Exceptions to the above can be authorized for self-contained island configurations.

10. **Available Services:** On behalf of the exhibitors, ISM has designated official Conference contractors to perform the following services at rates considered equitable and normal: cartage, equipment moving and setup, furniture, booth decorations, signs, photographs, telephone, etc. Services of electricians, plumbers, carpenters and laborers will be provided and charged for at prevailing rates. ISM assumes no responsibility or liability for any of the services performed or materials delivered by the foregoing persons and parties. Specific information about contractors will be forwarded to exhibitor after booth space has been assigned. Any services obtained by the exhibitor for official Conference contractors or other suppliers and persons must be in strict compliance with policies of the venue in which the Conference and exhibit are held.

11. **Dismantling of Exhibits:** The exhibitor agrees not to dismantle the exhibit or do any packaging before the closing hour of the last exhibit time as described in the Exhibitor’s Schedule. Charges will be billed of any exhibit material remaining after exhibit hours. If an emergency situation dictates that an exhibitor must leave prior to the close of the exhibit event, ISM Exhibit Management personnel must be notified prior to exhibitor’s departure.

12. **Security:** ISM will provide regular security service to cover entrances to the exhibition area on a 24-hour basis from the beginning of move-in to the completion of move-out.

13. **Insurance:** Exhibitor shall obtain and keep in force during the term of the installation and use of the exhibit premises, policies of Comprehensive General Liability and Contractual Liability Insurance, insuring and specifically referring to contractual liability set forth herein, in an amount not less than US$1,000,000 Combined Single Limit for personal injury and property damage. ISM and the Conference and Exhibit venue shall be included in such policies as additional named insureds. In addition, the exhibitor acknowledges that neither ISM nor the Conference and Exhibit venue maintains insurance covering exhibitor’s property and that it is the sole responsibility of exhibitor to obtain business interruption and property damage insurance covering such losses by exhibitor. Evidence of such insurance must be provided by the insuring company.

14. **Liability:** Exhibitor assumes entire responsibility and hereby agrees to protect, indemnify, defend and save the Institute for Supply Management™, event facility and its employees and agents harmless against all claims, losses
and damages to persons or property, governmental charges or fines and attorney’s fees arising out of or caused by exhibit’s installations, removal, maintenance, occupancy or use of the exhibited event premises or a part thereof, excluding any such claim caused by the sole negligence of the event facility or its employees and agents. Furthermore, in case said premises shall be destroyed by fire or the elements, or by any other cause or in case any other circumstances shall make it impossible for ISM to permit the said premises to be occupied by exhibit for the use herein specified, including without limitation, earthquakes or other natural or weather-related events, labor interruptions or other occurrences beyond the control of ISM, then and thereupon this contract shall terminate and exhibit shall and does hereby waive any claim for damages or compensation, except the pro rata return paid for any space rental, less expenses incurred by ISM.

15. Fire Protection: No combustible decorations shall be used at any time. All packing containers, excelsior and wrapping paper, which much be fireproof, are to be removed from the floor and must not be stored under tables or behind displays. Any cloth decoration must stand a flameproof test as prescribed by the applicable fire and safety ordinances. All flammable materials and fluids are to be kept in safety containers. Open flames, butane gas, oxygen tanks, etc., are not permitted. If inspection indicates that any exhibitor has neglected to comply with the foregoing requirements, or otherwise incurs a fire hazard, ISM reserves the right to cancel the entire exhibit event, or such parts of it as may be irregular, with no refund of rental or liability for exhibit expenses.

16. Admission: Admission to the exhibited event will be available to all event registrants. Publicity will encourage the attendance of all Conference registrants. ISM will invite supply managers from the surrounding area to visit the educational exhibit as our guests. Exhibit Hall passes will be available to these guests. These guests cannot attend educational sessions unless they register for the event. Exhibitors are encouraged to invite their customers and clients to visit the Exhibit Hall.

17. Badges and Conference Registration: Each exhibitor will receive two complimentary full Conference registrations for each 10’ x 10’ booth space rented. Exhibit Only badges will be available to exhibit personnel who will be working in the booth and not attending the Conference event. Additional full Conference registrations may be purchased; contact your ISM Sales Representative for details.

18. Payment for Space: Applications should be returned to ISM with full booth rental payment. Applications will be received until all space is allocated. If the application is received after all space is filled, payment will be refunded. Failure to comply with these requirements forfeits all rights to space, which may in such case be reassigned to others, with no obligations on the part of ISM.

19. Cancellations: If exhibitor cancels their Exhibit space agreement 90 calendar days prior to the event, a 75 percent refund will be given after the exhibited event is held and only if ISM sells out the Exhibit Hall. No refunds will be given for cancellations received 89 days up to the date of the Conference.

20. Assignment for Exhibit Space: The agreement for exhibit space and the payment of booth rental charges constitute a contract for the right to use the space allotted, subject to the rules and regulations promulgated by ISM.

21. Space Assignment: Space assignments will be solely at the discretion of ISM.

22. Event Promotion: The exhibitor authorizes ISM, its employees or agents to use exhibitor’s name to promote the event and to solicit other exhibitors for this and future events.

23. Photo Release: From time to time, ISM uses photographs of participants and/or exhibitors in our promotional material. By virtue of your attendance and participation in the Conference and Exhibit, you agree to the usage of your likeness in such materials.

24. Exhibit Hall Entrance: All persons entering the Exhibit Hall MUST wear an ISM-provided name badge, including after-hours and during move-in and move-out periods.

25. Booth Carpet: All booths must be carpeted and it is the responsibility of the exhibitor to provide carpet, at their expense, if the hall is not carpeted by the venue operator.

26. Exhibited Events or Items: ISM has the right to final approval to all items and events for Exhibitors. ISM must approve general details of exhibiting items or events, including, but not limited to, advertising novelties (such as bags, pens, apparel), menus, agendas, entertainment or other specific items or functions that are part of the exhibitor package.

27. Food and Beverage: Any refreshments (food and beverages) must be ordered and served by the Convention Center or hotel’s catering services. Exhibitors must notify ISM of catering arrangements. Any samples must be approved prior to the Conference and a corkage or service fee may apply. ISM reserves the right to deny or restrict catering arrangements and samples that interfere or distract with ISM planned events.

These regulations are a part of the contract for event exhibit, which does not become effective until countersigned by a duly authorized representative of the Institute for Supply Management™. The acceptance of the payment that accompanies the application for exhibitor does not constitute acceptance of a contract. The Institute for Supply Management™ reserves the right to make such additional conditions, rules and regulations as it deems necessary to ensure the success of the exhibited event.

ALL EXHIBITORS MUST COMPLY WITH THE LAWS AND REGULATIONS OF THE CITY AND STATE IN WHICH THE EXHIBIT IS HELD.
